

Start Reading Smart

>> When was the last time you had any training to develop or polish your reading skills?

For most people, the answer is grade school. With the mass amounts of information available today from the internet, books, emails and magazines, many people feel overloaded with the material they have to read.

>> What would you do if you could read two or three times faster than you do now?

Imagine the impact on your life, business and growth if you had the time to read more books, industry journals, newspapers or simply get through your email inbox!

Start Reading Smart

During this complimentary meeting, you and your group will learn how to improve productivity, reduce stress, and most importantly, increase the bottom line with time saving strategies for reading faster and remembering more.

>> During the Start Reading Smart Meeting, You will Discover:

- Techniques to improve your reading immediately.
- How the Myths of Reading are holding you back.
- How to reduce your reading time.
- What your current reading speed and comprehension level.
- How reading impacts every aspect of your life.

>> Benefits of Becoming a Faster Reader Include:

- **Read More in Less Time**
You will double or even triple the amount you read in the same amount of time. Cut the time you spend reading emails, your "To-Read" pile, fiction or nonfiction books, web pages, technical material, newspapers and magazines.
- **Drastically Increase Your Concentration**
The faster you read the more you pay attention and focus on what you are doing.
- **Understand Material with Greater Depth and Accuracy**
Whether you are reading for work or pleasure, as your concentration improves, your understanding of the material will improve.
- **Retain More Information**
Remember information more efficiently as your concentration and focus increase.
- **Enjoy Reading More**
Enjoy reading more as you build confidence and competence in your reading skills.

Client Buzz

"I'm whipping through magazines, articles and books! I'm definitely more confident and getting through my reading quicker. It's amazing that the comprehension is still there!"

- Nicole Pittaluga, Patriot Media

"I find that I am more relaxed and able to concentrate and retain more. I think knowing that my issues were 'normal', having techniques to use, and accepting that I will read at different rates depending on what I am reading has all helped."

- Cindy Loughran, Leadership Development / Teambuilding / Training, CBL Associates

"Thank you for providing one of the best training courses I ever attended!"

- J. Gregorian, US Department of Education

"I just wanted to drop you a line to let you know that your course has really assisted me both personally and professionally. After attending your course, I have made great strides in everyday organization. I can actually see the top of my desk!! I would highly recommend this to any organization or corporation!"

- Arlene Miller, Field Service Director, Pennsylvania Builders Association
